Hidden Oaks Junior Golf Summer 2011!

Junior golf returns to Hidden Oaks this June with our annual summer Hidden Oaks Junior Golf Camps. Designed for beginning to intermediate golfers ages 6-12, these five day camps help develop your child's skill, knowledge of and appreciation for the great game of golf, and a chance to meet new friends all while having quality fun! Our scenic and sporty 9 hole, par 27 course makes Hidden Oaks the ideal venue for aspiring juniors to

gain self confidence while providing plenty of challenging opportunities for the more experienced junior.

To maximize the learning environment, the camps will be limited to twelve juniors per week.

There will be eight weeks available for the 6-12 year olds. Ages are a guideline, specific age requests, ie for siblings or friends, or other circumstances will be considered. See schedule on reverse side for more details.

Fundamentals of the full swing and short game are taught each day using drills and contests directly on the course, making Hidden Oaks the perfect "outdoor classroom". Each morning opens with a specific practice session, followed by a snack, then supervised play on the golf course to help reinforce the skills just learned. After a morning of golf, all are invited to jump into the beautiful Hidden Oaks pool to cool off and have fun!

Each camp includes:

- Full swing instruction
- Supervised play on course
- Short game emphasis
- Daily snack and juice
- Contests and prizes
- Camp T-shirt
- Optional swimming in the Hidden Oaks Clubhouse Pool

For more information or to sign up, call the golf shop at 967-3493.

Hidden Oaks' Director of Golf, Dave De Heras, is an accredited PGA teaching professional and leads the instruction at all the camps. Pro Dave has long me

experience teaching junior golf camps both locally and abroad. In addition to more than a decade as a PGA pro, he has experience as a elementary school educator. He will be assisted by local high school golf team members in order to keep a low student to teacher ratio for a safe and fun week of golf. Golf is the definitely the game for a lifetime and the best time to learn is as a junior this summer at Hidden Oaks!
